11: d

The paragraph examines whether comparison cases resemble the present circumstances. Its conclusion is that transfer requires recognizing the limits of the comparison: “welche Teile des Vorschlags überhaupt übertragbar sind”.

12: g

The comparison concerns when the recommendation is viewed. The preferred sequence permits “zwei eigenständig entstandene Beurteilungen” to be compared.

13: a

The caregiving example requires discussion of both the proposed schedule and its practical consequences. The main point is captured by “Spielräume und Schwierigkeiten gemeinsam abwägen”.

14: h

Provision, configuration and use can each be completed while “die Wirkung ihres Zusammenwirkens ungeprüft bleibt”. The paragraph addresses the resulting gap across the complete process.

15: c

Time, information access and authority to pause are presented as complementary requirements. The design connects the professional task with “konkreten Befugnissen und verfügbaren Arbeitsmitteln”.

16: e

Documented reasons are periodically reviewed to guide changes. Their purpose is “ein nachvollziehbarer Beitrag zur weiteren Ausgestaltung des Systems”, rather than merely recording nonacceptance.

17: e

Paragraph e explains the two totals and establishes the antecedent for “diese beiden Aufnahmeregeln”. It fits both the preceding numerical discrepancy and the following record check.

18: b

Paragraph b supplies a concrete instance of regular presence differing from employer affiliation and introduces Jonas Kern, whom the next paragraph refers to as “Kern”.

19: g

Monday completion is interrupted by the Tuesday announcement in g. This explains reopening the draft and supplies the antecedent for “der hinzukommenden Werkstatt”.

20: a

Paragraph a specifies the two allocation proposals in the order required by “Der erstere Vorschlag” and “Der letztere”. It develops the preceding abstract contrast.

21: f

The concession in f qualifies apparent readiness by introducing the shift conflict. Its rotating timetable and paid release establish “dieser Zeitregelung” in the following paragraph.

22: c

Paragraph c retains the unresolved priorities, assigns follow-up work and schedules another meeting. These establish “dieser Fortsetzung” and “konkrete Arbeitsaufträge” in the conclusion. Paragraph d supplies neither the necessary chronology nor the local references for any gap.
