Übungssatz 9

Lesen Teil 1

4 Punkte je richtiger Antwort; höchstens 40 Punkte. Das Beispiel wird nicht bewertet.

1: c

The key paraphrases the author's explicitly stated initial motive, rather than a later justification for the project.

2: a

The reader must infer a reservation about the political use of a local success from the juxtaposition of publicity and unresolved planning decisions.

3: d

The figurative expression concerns conditional acceptance and control, not duration of residence.

4: b

The item requires accurate reading of the restriction's spatial and temporal scope.

5: a

The key identifies the explicitly stated purpose of the records, distinguishing operational adaptation from other uses of documentation.

6: c

The reader must preserve the author's explicit eligibility condition when paraphrasing the proposed compensation.

7: d

The inference concerns unequal influence on the allocation of restrictions, supported by contrasting treatment of comparable uses.

8: b

The reader integrates respectful attention to a resident with the author's reluctance to accept the resident's requested measure.

9: c

The implied priority is continuity of responsibility after public attention has declined.

10: a

The conclusion supports a criterion of durable coexistence through its treatment of continuing inconvenience and maintained commitments.

Lesen Teil 2

3 Punkte je richtiger Antwort; höchstens 18 Punkte. Das Beispiel wird nicht bewertet.

11: e

The section compares closed groups, public posts and automated recommendations to establish distinct protection questions within one service.

12: a

The section distinguishes confirmation of eligibility from disclosure of identity details and follows the information received by each party.

13: d

Contrasting illustrative households show how time, language access and familiarity with account settings change the effort required by the same rule.

14: g

The loss of guided practice is explicitly conditional on the absence of an accessible substitute. Youth participation supplies planning information, not transferred responsibility.

15: h

The hypothetical disputed classification motivates understandable reasons, an accessible review route and timely correction.

16: c

The section explains why service records need to be supplemented by accounts of migration to other services and lost participation.

Lesen Teil 3

3 Punkte je richtiger Antwort; höchstens 18 Punkte. Das Beispiel wird nicht bewertet.

17: d

The opening refers back to the accumulating reminders. The spatial decision then supplies the cause for the following 'deshalb' and the placement of objects.

18: a

The Tuesday reference continues the retrospective account. Dependence on the day's requirements prepares the contrast with Thursday's missing additional bag.

19: f

The paragraph replaces the rejected sheet after the sports day and introduces the shelf required by 'Auf dieses Bord' immediately after the gap.

20: b

The handover develops into reciprocal assumptions about swimming preparation. 'Diese Annahme' then refers to Jan's belief and leads to the empty bag.

21: g

The reporter's impression of the departure is qualified by previously unseen work. 'Über diese Vorbereitung' continues directly into allocating that work.

22: e

The evening discussion leads to a specific agreed revision. The following removal of the dining area note executes that decision. Paragraph c lacks the required local references at every gap.

24: a

Advertisement a assigns examination of dismantled components and assessment of their suitability for other installations.

25: d

Advertisement d permits a chosen work location for transcription and editorial preparation while requiring attendance for archive work.

26: b

Only advertisement b accepts several years of directly relevant event logistics experience as an alternative to a degree.

27: d

Shortlisted applicants receive a documentation set and must submit a newly prepared editorial sample before starting.

28: c

The initial eighteen month contract in advertisement c can continue only if follow on funding is approved.

29: a

Advertisement a allows the required internal documentation qualification to be obtained during the first three months. The separate degree requirement remains mandatory.

30: b

Advertisement b explicitly assigns allocation decisions under published criteria when simultaneous requests exceed the available equipment.
