Assessment targets

Aufgabe 6 · telc_reading_explicit_detail: Retrieve and compare stated information

Aufgabe 7 · telc_reading_explicit_detail: Retrieve and compare stated information

Aufgabe 8 · telc_reading_explicit_detail: Retrieve and compare stated information

Aufgabe 9 · telc_reading_explicit_detail: Retrieve and compare stated information

Aufgabe 10 · telc_reading_implicit_inference: Infer an unstated conclusion

Leseverstehen Teil 3

2,5 Punkte je richtiger Zuordnung; maximal 25 Punkte. Die Nichtwiederverwendung betrifft die Anzeigen, nicht x.

11: b

Advert b provides an evening video discussion for parents with a facilitator and a start time after 20:00.

12: a

Advert a offers pushchair wheel repairs at the customer's home.

13: d

Advert d combines a seven day baby bed rental with delivery.

14: x

Advert c offers suitable home childcare only until 22:00. No advert covers the required overnight period.

15: e

Advert e permits a six month old baby to stay next to the parent during exercise.

16: i

Advert i provides practical cooking and freezing instruction on Saturday. Advert f supplies prepared meals without instruction.

17: k

Advert k collects donated baby clothing free of charge and distributes it to other families.

18: l

Advert l matches the day, the child's age and the requirement for shared participation.

19: x

Advert h offers fitting in the shop but explicitly excludes borrowing. Advert d rents beds only. No advert offers a home trial of a carrier.

20: g

Advert g guides both parents through allocating tasks and producing their own weekly plan.

Assessment targets

Aufgabe 11 · telc_reading_need_matching: Match available provision to a need

Aufgabe 12 · telc_reading_need_matching: Match available provision to a need

Aufgabe 13 · telc_reading_need_matching: Match available provision to a need

Aufgabe 14 · telc_reading_need_matching: Match available provision to a need

Aufgabe 15 · telc_reading_need_matching: Match available provision to a need

Aufgabe 16 · telc_reading_need_matching: Match available provision to a need

Aufgabe 17 · telc_reading_need_matching: Match available provision to a need

Aufgabe 18 · telc_reading_need_matching: Match available provision to a need

Aufgabe 19 · telc_reading_need_matching: Match available provision to a need

Aufgabe 20 · telc_reading_need_matching: Match available provision to a need

Sprachbausteine Teil 1

1,5 Punkte je richtig ergänzter Lücke; maximal 15 Punkte.

21: a

Als introduces the single past occasion on which the invitation occurred.

22: c

Aus governs the dative. Sack is masculine singular, requiring einem.

23: a

The successive actions carried out by the group require the past event passive with the plural auxiliary wurden.

24: a

The adjective takes the ending en after einer in a feminine dative phrase.

25: a

Willing continuation contrasts with tired eyes, so the relation is concessive.

26: b

Completion of the border is the endpoint of this stage of work, after which attention moves to the middle.

27: a

The proposal is expressed by an infinitival complement with zu.

28: b

The relative subject refers to the feminine singular antecedent Leiterin.

29: b

The possessive determiner requires the neuter singular genitive form before Bildes.

30: a

The accusative object refers to the printed photograph, a neuter singular noun.

Assessment targets

Aufgabe 21 · telc_reading_connector_selection: Select a connector that expresses the intended relation

Aufgabe 22 · telc_reading_morphosyntactic_selection: Select a grammatically licensed construction

Aufgabe 23 · telc_reading_morphosyntactic_selection: Select a grammatically licensed construction

Aufgabe 24 · telc_reading_morphosyntactic_selection: Select a grammatically licensed construction

Aufgabe 25 · telc_reading_connector_selection: Select a connector that expresses the intended relation

Aufgabe 26 · telc_reading_connector_selection: Select a connector that expresses the intended relation

Aufgabe 27 · telc_reading_morphosyntactic_selection: Select a grammatically licensed construction

Aufgabe 28 · telc_reading_reference_selection: Select a pronoun that preserves reference

Aufgabe 29 · telc_reading_morphosyntactic_selection: Select a grammatically licensed construction

Aufgabe 30 · telc_reading_reference_selection: Select a pronoun that preserves reference

Sprachbausteine Teil 2

1,5 Punkte je richtig ergänzter Lücke; maximal 15 Punkte.

31: h

Teilnahme takes an with the dative to identify the activity.

32: i

Erfahrung expresses practical familiarity and forms the appropriate combination with haben and mit.

33: a

Geeignet expresses whether the footwear is suitable for the route.

34: b

Denn introduces the reason for the footwear enquiry and preserves the following main clause word order.

35: o

Falls marks the uncertain condition under which an alternative programme would be needed.

36: l

The question concerns a possible required additional payment. Müssten expresses this obligation; dürften would ask about permission.

37: m

Außerdem adds a new enquiry about food after the questions about weather arrangements and charges.

38: g

The request for vegetarian food follows as a consequence of not eating meat.

39: e

Damit expresses the purpose of obtaining the finishing time: selecting a suitable return bus.

40: f

Rückmeldung refers to the provider's expected reply and completes the conventional closing expression.
